

For your Consideration:

1) Grand Prix Scores have been updated and posted to reflect all regattas. There is a 48-hour window (1300 on Saturday) to point out any mistakes. Entering as many data points as these standings require by hand means there are bound to be mistakes, and I appreciate the extra set of eyes on the data before the prizes are handed out on Tuesday. Click on the class links below to access the standings.

2) The SM Sailing Awards Night & Annual Meeting is Tuesday August 21, 2018 at the West Dennis YC. The night is free but reservations are required. Come pick up your awards, lend your voice to the organization, and see friends from other clubs one last time before the summer end. Click on the link below for more information and registration info.
