For your Consideration:

Coordination has never been more important.

How do we opening of the Cape, South Coast, South Shore, and the Islands? What does the summer sailing season look like? It will take a regional approach. It makes no sense for Club A to delay their sailing program while Club B (5 miles down the road) opens theirs on-time. SM Sailing in conjunction with US Sailing and Mass State guidelines is urging local clusters of clubs to start collaborating on a plan.

On the SMSA website, I have posted the most obvious groupings. If your clubs would like to participate (and I hope that they would rather than "go it alone"), please fill out the Google Form so we can start putting the proper people in touch with each other.
