For your Consideration:

Thursday's Board call was tough. A full 18 clubs announced that they would not be running their annual regattas including all the US Sailing national junior & youth events, the area A qualifiers to those events, all the Club 420 triple crown regattas, and all the SM Sailing regattas. The two island clubs - Vineyard Haven YC and Edgartown YC - announce that they would not be providing housing for juniors.

Several August regattas have not made a decision yet, which is a smart idea,

One silver lining is the opportunity to do more local events. There was a day - before the Opti and the club 420 - when all racing was done at the club. This year offers the opportunity to do more of that. It also offers the opportunity to work on skill development. Racing is important, but so is getting the proper skill set. So the take-away right now, is what can you do to make local sailing fun, exciting, and educational.

Governor Baker released the Massachusetts Child and Youth Serving Programs Reopen Approach document on June 1, 2020. A link to the document is below and posted on the

SM Sailing Website. They are extensive.

SM Sailing urges each member club to do the following:

- 1) Read the document thoroughly
- 2) Speak with your club's legal counsel and Insurance provider
- 3) Collaborate in your Regional Clusters

This document will be the basis of the June 11th SM Sailing Board call.

SM Sailing Dues invoices.

The SM Sailing Board agreed to delay the issuing of dues notices until mid-April. Clubs should have received those invoices by now. A timely return is appreciated.
