

Barnstable Yacht Club Sailing Instructor Positions

The Barnstable Yacht Club is filling two experienced full time sailing instructor positions for the summer of 2012. The instructors must provide their own housing or be within reasonable commuting distance of the club. The BYC is located at 154 Beale Way, Barnstable, MA 02630 on Barnstable Harbor with a view of Sandy Neck. The sailing program has approximately 40 children of beginner, intermediate, and advanced ability run by four instructors under the supervision of a club manager. The club owns several Optimist Prams, 420's, a BeetleCat, and two support boats for running the sailing program. The sailing instructors will be employed from Monday June 25th to August 31st with some flexibility for returning to school and other commitments. There is also a swimming and tennis program run by other instructors at the club. Instructors should have US Sailing's Level 1 Sailing Instructor certification, CPR, and First Aid certification.

Head Instructor - The head instructor is expected to have several years of prior instruction experience in other programs. The head instructor should understand seamanship, basic navigation, rules of the road, and US Yacht Racing Rules. They must be able to drive and handle a small power boat. It is desirable that they have a sailing resume that includes one design racing experience, high school or college sailing. They should demonstrate leadership qualities and experience leading or supervising others in previous jobs or in their school activities.

Senior Instructor – The senior sailing instructor is expected to have prior instruction experience in other sailing programs. They should understand seamanship basic navigation, rules of the road, and US Yacht Racing Rules. They must be able to drive and handle a small power boat. It is desirable that they have a sailing resume that includes one design racing experience, high school or college sailing.
