About Cuttyhunk Yacht Club:

Founded in 1956, CYC is a non-profit organization with a special place at the heart of the Cuttyhunk Island community. Generations of families have built and contributed to the Yacht Club, which today has a fleet of 10 N10s, 6 lasers, 6 420s, 2 Cape Dory typhoons, and 2 new power (safety) boats. In 2018 we had 100 children between the ages of 6-16 participate in our sailing program over 8 weeks. Some years our sailors participate in the Beverly Youth Regatta, and we typically host 2 informal regattas with Tiverton and Ida Lewis YCs. Our focus is on safety, fun, and enjoying the beauty of Buzzards Bay!

About Cuttyhunk:

Cuttyhunk is the outermost of the Elizabeth Islands off the coast of Massachusetts. With a year round population of about 20 souls the summer population swells to several hundred. With very few cars, restaurants, and inns, it is a well know retreat and destination for sailors, artists/writers, fishermen, and families, many of whom have been coming to the island for generations.
