

Wianno YC Wins 2013

On a day where the competitors had to battle the conditions as well as each other, the team representing Wianno YC did an excellent job to win the 2013 Cumming Cup. Vineyard Haven YC as a close second, while Cotuit Mos. YC was third. The top two teams will represent SMSA at the Area A Sears qualifier to be sailed out of Piers Park in East Boston in mid-July.

Sailing was delayed Friday morning while several waves of thunder storms rolled over the outer Cape, but by 1 pm, the "all clear sign" had been given and racing commenced in 15-18 kts of wind. Pleasant Bay did offer gusty and puffy conditions that challenged those who were sailing Flying Scots for the first time, but it also provided flat water. The race committee wisely flew the "no spinnaker flag" which limited the carnage, but there were plenty of capsizes, ripped sails, and damage to go around. Eventually one boat was retired for the day and several teams applied for and were granted average points, which is why the scores below are so out of norm.

In the end, Chase Quinn (skipper), JP Cannistraro, and Will Cannistraro proved to be very consistent with four first, two seconds and a fourth in their seven races, for an average of 1.71 pts.

1. Wianno YC 13.71 pts
