

Dear Southern Massachusetts Sailing Association,

I would like to personally invite your local sailing organizations to submit a bid to host the 2020 US Sailing Jr. Women's Singlehanded (Leiter) and Doublehanded (Ida Lewis) Championships. This is a wonderful opportunity for your yacht clubs and sailing clubs to bring a first class event to their organization and members. Applying is easy! I've provided a link below to the online application that is available on the US Sailing website.

Information about hosting a US Sailing Championship is available here: <https://www.ussailing.org/competition/resources/hosting-a-us-sailing-championship/>

An online host bid application is available here: <https://www.ussailing.org/competition/resources/hosting-a-us-sailing-championship/online-host-bid-proposal/>

There are currently about 40 competitors registered for the US Sailing Jr. Women's Singlehanded Championship and 40 teams registered for the US Sailing Jr. Women's Doublehanded Championship. Both of these Championships will be held in California this summer and the 2020 hosts will be invited to attend. I am excited to be part of this effort and I hope your organizations will be interested in hosting one or both of these events!

Please forward this email to each of your local sailing organizations. I'm available to answer any questions you or they may have.

Best wishes,

Yolanda Cortes Mares  
Chair, US Sailing Jr. Women's Championships Committee
