Quissett Harbor in Falmouth, MA

420 Race Coach for Summer 2019

The Quissett Yacht Club Junior Sailing Program is accepting applications for a 420 Race Team Coach for the summer of 2019, which will run from June 18 - August 18.

The team practices on weekdays sailing out of Quissett Harbor, located on the Eastern side of Buzzards Bay. Quissett has two 420 race classes: the 420 Junior Race Team, which practices from 10:15 am-12:15 pm, and the 420 Race Team, which practices from 1:30 pm-4:30 pm. 420 Race Team members have at least one year of prior sailing experience on the Junior Race Team, and usually several years of experience racing on the QYC Opti Race Team.

The 420 Race Team generally participates in the SMSA Grand Prix events—in 2019 this will be the Edgartown Regatta, Falmouth Regatta, Scituate Jr. Regatta and Beverly Jr. Regatta—and potentially one or two other area regattas. The Jr. Race Team usually participates in two regattas—the Vineyard Haven Jr. Regatta and Wild Harbor Invitational.

Primary responsibilities of the 420 Race Coach include:

- Planning and instructing QYC classes that teach 420 fleet racing
- Coordinating and communicating transport of equipment and QYC 420 sailors to and from regattas
- Coaching QYC 420 competitors at regattas

Salary commensurate with experience. 420 race experience and US Sailing Small Boat Sailing Instructor Level 1 and Level 2 Certification are required (course fees may be reimbursable; inquire for details).

For more information, send a letter of interest with statement of qualifications and references to Katy Burt at katywadlowburt@gmail.com.
