## JOB DESCRIPTION

What does it take to build a great sailing program?

A group of young adults with excellent sailing experience, each individual with "style points", who work as a group to achieve a common goal.

**Opti/420 Race Coach/Instructor:** Can you provide a unique process for learning? Do you have interesting techniques & tricks to provide young sailors the "keys to success" on and off the water? We are interested in having you incorporate technology to expand learning for young racers. Are you a college racer disappointed due to the COVID cancellation of your season? Consider SHYC employment to coach/instruct in local summer regattas in a fun family supportive club. You will also serve as a member of the instructor staff.

If you are tired of zoom lectures, then explore Scituate Harbor Yacht Club on the south shore. Submit your CV or contact me with your interest.

Mike Murphy, SHYC Sailing Chair
