For your Consideration: Smorgasbord

I was sent a bunch of things by people this week looking to be included in the weekly e-mail blast, so rather than send out something pithy and witty, I just used all of these stuff.

A. From US Sailing

1. **Adult Champs - Remember** - RSAs must submit their resume name forward to be considered. Deadline is August 15th.

Go to this [link for complete info](#): Link for [registering](#): _

IF You have any questions - please ask - Liz Walker - 401-682-2951

2. [Olympic Send off event](#) - Thank you to the Houston YC for being the host of the Olympic Send off Party on July 27th. Good luck TEAM USA!

3. **Uncharted waters** - I hope you have shared this amazing video with your area. [homepage: http://uncharted.sunbrella.com/](http://uncharted.sunbrella.com/)

4. **NSPS**: Registration is open for the 2017 National Sailing Programs Symposium (NSPS) in Austin TX February 16-18, 2017. For more

information, [click here](#). This is a HIGHLY recommended event.

B. Slow registrations. Several events next week, including the SM Sailing Girls Champs (Gill Trophy) and the Wianno Opti Regatta are lagging in registrations. For the Gill, registration CLOSES on Friday July 22; for Wianno, the late fee kicks in on Friday. I use both regattas (one 420 and one Opti) as examples of how waiting to the last minute causes problems. It causes problems with the host b/c as they are unsure how much stuff (food, t-shirt, support boats, etc) to order. It causes problems for the competitors when they get shut out. As adults, we have a choice - be part of the problem or part of the solution. After I sent this out, I am going to sign my kid up for his next two Opti regattas. I am going to be part of the solution. Come join me.
