

## Beverly Yacht Club Junior Sailing Program

The Beverly Yacht Club seeks applicants for the positions of Senior Instructors and Race Coaches for our Summer 2023 Junior Sailing Program. Beverly Yacht Club, established in 1872, is one of the oldest yacht clubs in operation today and has a long standing history of strong racing and cruising that “promote yachting and good fellowship.” The Junior Sailing Program serves to educate sailors from ages seven (7) to eighteen (18) in all aspects of sportsmanship and seamanship. These skills are cultivated through educational classes ranging from learn-to-sail to competitive racing. We are seeking qualified individuals with strong leadership skills that can bring creativity and fun to our classes and competitive race programs. The ideal candidates will be safety conscious persons that are looking to have a great time on Buzzards Bay, while passing on a love of sailing to the next generation of sailors.

### **Job Requirements**

- Availability from mid-June to mid-August
- Ability to design and implement age appropriate curriculum
- Collegiate racing experience (or equivalent experience)
- Experience coaching and supervising sailors at regattas
- Ability to foster strong teamwork amongst sailors
- Ability to maintain effective communication between program manager, parents and sailors
- US Sailing Level 1 (or equivalent course work)
- Availability to travel to regattas with sailors

Compensation commensurate with experience. Housing available to qualified candidates. To apply please send a resume, cover letter and three references to Junior Program Directors, Audrey Webb and Camden Tougas at [juniors@beverlyyachtclub.org](mailto:juniors@beverlyyachtclub.org).
