***Job requirements:*** Coaches must hold a valid US Sailing Level 1 or Higher, First Aid and CPR certifications.

***Start Pay for Qualified Candidates:*** \$500-\$600/week, commensurate with experience

We are looking for someone who has sailing experience, preferably at the high school and college level, as well as sailing instructional experience, knowledgeable about sailing, works well in a collaborative environment with other instructors and junior instructors, and is excited to work and teach young sailors ranging in age from 4-16.

As head sailing instructor, you will have the authority and responsibilities typically associate with the position of a Head Sailing instructor including but not limited to:

- Getting fleet ready for season
- Overseeing the duties and behavior of the sailing staff
- Ensuring participants adhere to sailing policy rules
- Following and enforcing any Covid hygiene and safety protocol
- Providing weekly email to the bookkeeper regarding attendance
- Monitoring weather and notifying staff and parents of any program changes
- Getting fleet ready for off-season

*Required Certifications and Safety Training include:*

- US Sailing Level 1 Small Boat Instructor (minimum certification level)
- SafeSport Certification
- CDC's HeadsUP Concussion Training (free to take online)
- CPR/First Aid/AED Training
- Valid Driver's License/Dependable Transport
- Able to pass a background check

Dennis Yacht Club offers competitive pay, opportunities for professional development, and is an equal opportunity employer. Instructors report to the Fleet Captain and work at the direction of the Rear Commodore to get ready for the season.
