

Quissett Yacht Club is seeking a Level 1 certified sailing instructor to fill out our team. QYC is located in Falmouth, MA and we sail in Buzzards Bay. Instructors are responsible for teaching young sailors in Optimists, 420's and H-12's for 8 weeks over the summer of 2022. Knowledge in some minor boat maintenance helpful.

Our ideal candidate is motivated, passionate, flexible, upbeat, organized, and able to think on their feet. We're looking for somebody that is excited to implement a curriculum for sailors of all ages.

Responsibilities:

- Become familiar with our program offerings and be able to answer parent or customer questions
  - Become familiar with our fleet and be willing to help with basic boat maintenance
  - Follow a repeating day-to-day plan and overarching curriculum for our variety of classes, which will include drills, lessons, and activities both on the water and onshore
  - Maintain a professional and fun demeanor
  - Friendly, outgoing, organized, responsible, hardworking
  - Always model respect for the water, each other, and our equipment
- 
- Requirements: • You must be 18 or older by June 20th, 2022
  - Strong background in sailing required, experience with the boats in our fleet preferred
  - US Sailing Level 1 Instructor certification, or willingness to obtain this certification by the start of our summer programming, preferred
  - Ability to safely operate a powerboat, or willingness to learn, preferred
  - Availability for the duration of our summer programming preferred: June 20th through August 19th, 2022.

Do you enjoy the excitement of teaching sailing? From the young sailor to the seasoned racer, have you got a diverse set of skills to be a role model and mentor for young sailors? If so, we encourage your application.

We are interested in hearing from you!
