2) From Sail Newport regarding early registration for Opti New England's

USODA New England's, hosted by Sail Newport in the second week of August, will soon open its registration. There will be a 24-hour advanced registration period for New Englanders beginning this Friday 5/14 at noon. If your billing address is from a New England state, you'll be allowed to register. After Saturday at noon, anyone can register, and even with a cap of 300 boats (250 R,W,B; 50 Green) we will not be surprised is this one goes to capacity. We encourage all New England-based opti sailors to take advantage of this advanced registration period!
