2. Peg Dates 2023:

Clubs are in full swing already creating their regatta dates for 2023. A peg date indicates where on the SM Sailing calendar your regatta should be run next year.

- [2023 Peg Dates](#)
- To confirm your club's 2023 regatta date, [please email me](#).
- Switching from your peg date has consequences for other clubs and traditional regatta dates. Racing in SMSA works best when we all work together to create the best access for all and don't overlap. If you are thinking of making changes to your club's regatta, please contact me first so that we can eliminate any conflicts.
