For your Consideration: We're Back!!!

Despite this weekend's storm, there are signs that the summer season is coming. Here are some things on my mind as we head towards June.

1) PEG DATES: The [Peg Dates for 2022](#) as far as I know are posted on the homepage of the new website (scroll down). If you have Peg Date Confirmations, please forward them to SouthernMassSailing@GMail.com. Help SM Sailing help you publicize your regatta.

2) BOARD MEETINGS: The SM Sailing Board met in executive session on Thursday January 27, 2022. Minutes from that meeting are posted on the [SM Sailing website](#). At that meeting, the Board approved the Spring meeting schedule. Those meetings are open to all. More voices make for a better organization.

3) INSTRUCTOR TRAINING: It is time to start thinking about US Sailing Instructor and Coach Training.

a) LEVEL 1: For those seeking a level-1 certification, it is a two-step process again this year. Step one is an online 10-day course. Those courses have already started - I

taught one last week - and additional courses are scheduled to start every Friday until the middle of July. The online class must be completed before you can attend the 2-day in-person class. Don't wait. [Get your instructors started on the process now.](#)

b) LEVEL 2: The Level-2 Instructor course is still a 2-day in-person course. I hope to offer [two in June](#) as well. More to come

c) HOST A COURSE: Want to host a course (level-1 or Level-2) at your facility?

- Check to see if your facility has the [necessary criteria](#).
- Fill out the host form to let US Sailing know of your interest. [Here is the link.](#)
