Looking to drum up interest in the Fall SM Sailing meeting. Excellent opportunity to speak face-to-face about best practices at your club - Junior sailing travel, adult sailing, training, balancing sailing members and social members. At this round table meeting, no subject is off limits. Right now only a few people have registered. Please consider sending someone from your club who can share what works for you and can gather information to help make your club better. This will be out only meeting until February.

## **Peg Dates 2024:**

The 2024 schedule is starting to fill out (see the link "PEG DATES" link above). This year necessitated some changes based upon where the 4th of July fell (it does this every 5-6 years), but it has allowed us to make some tweaks that should be exciting. First off, there is more of a "flow" to the travel. Second there are two "race weeks" built into the calendar that combine junior regattas and adult regattas back-to-back

- Martha's Vineyard Race Week - Edgartown regatta, Edgartown JR & Vineyard Haven Jr Regatta
- Hyannis Race Week: HYV Youth Invite, SM SA Team Racing Champs, and HYC Regatta

We are also working with the South Shore clubs to put together a third "race week" with some combination of Scituate Jr regatta, Duxbury YC/ Duxbury Bay MS, and Plymouth. Stand by to see if that comes to fruition. The tides are making it tricky.

If your regatta is not in BOLD, check out the peg dates and confirm or send me the dates you would like to switch to. [Click Here to confirm that date.](#)
