For your consideration:

1. **Summer 2026** has an extra week. SM Sailing is interested in how programs intend to use that extra week. Here are the results so far.
    - Most clubs are starting either 6/22 or 6/29
    - Most are ending on 8/21 or 8/29.
    - Link to raw data.
    - Will the week long snow day effect school ends days and therefore program start dates?
    - If your clubs wants to participate, here is the link - Program Survey

2. **Powerboat Classes:** Starting **April 1, 2026**, Massachusetts law mandates that all motorboat operators must pass an approved boating safety course to receive a certificate, per the Hanson-Milone Boating Safety Act. Those born after Jan. 1, 1989, must comply by April 1, 2026, while those born on or before that date have until April 1, 2028, with enforcement beginning Sept. 1, 2026. This means that everyone needs one. For details Contact Peter Durant to set up a course for your members.

3. Upcoming Regattas.

- This link will take you to a list of all the regattas scheduled for this summer (2026 Peg Date calendar).
- Click on the Google calendar link above to see all the regattas in monthly format. Once I receive the link to the regatta site, I embed it in the calendar post.
